

Better sheds, bigger choice from Ranbuild...

Backyard Shacks

Backyard Shacks is the latest exciting and innovative product range from Ranbuild.

All Backyard Shacks are manufactured from quality BlueScope Steel so you know they will be good looking for many years to come.

The Backyard Shacks range has nine sizes, from a one bedroom studio up to a four bedroom with ensuite family weekender and they all come with detailed plans for DIY.

Whether it's for a private sanctuary for parents or teenagers retreat, a home office, man cave, art studio, gymnasium or for accommodating extended family, Backyard Shacks is an attractive option for uses only limited by your imagination.
